
Augusta School District – Leased Dark / Leased Lit Fiber WAN RFP 18-16

Augusta SD is requesting bids and proposals on fiber WAN service to 4 locations within the district. The District is currently serviced via dark fiber lease solution consisting of 6 strands (3 pair) of dark fiber from the main hub to each location which is lit @ 10Gigs. The fiber runs from the main hub @ Cony High School /Capitol Area Tech Center 40 Pierce Drive Suite 3, Augusta ME 04330 to the following locations:

- 1. Lillian Parks Hussey School, Gedney St., Augusta ME 04330**
- 2. Sylvio J Gilbert Elem. School, 1 Sunset Ave., Augusta ME 04330**
- 3. Farrington Elem., 249 Eastern Ave., Augusta ME 04330**
- 4. Lincoln Elementary, 40 Lincoln St., Augusta ME 04330**

The district is willing to consider proposals for a leased lit fiber solution @ minimum of 10gbps. Any proposals should include costs for installation of new service and equipment as well as minimum service response time estimates (should the service go down at any time) and the associated costs to restore service.

The request for leased dark fiber should include cost for Operation & Maintenance of the fiber strands should it be outside the scope of the lease agreement.

District is seeking terms of 1yr, 3yr, 5yr, and 10yr. Any proposals should include options for voluntary extensions at current pricing in 1yr increments.

Questions can be forwarded via email only – no meetings will be conducted. All proposals must be submitted via email to:
