

ADJOURNMENT OF BOARD MEETINGS

Regular business meetings, special meetings and monthly workshop meetings of the Board shall be adjourned no later than 10:30 P.M. except when a motion to continue past this hour to a set time has been carried by a majority vote of the Board members in attendance. This is intended to allow for completion of discussion of a topic introduced before the 10:30 curfew.

If the Board has not completed its agenda, the Board may continue its regular business meeting as soon as practicable, at a time set by Board vote.
