

I am a proud Augusta resident and live with my husband Peter and our sons, a 7th grader at Cony Middle School and a kindergartner at Lincoln Elementary. I currently serve as the Board Chair of Southern Kennebec Child Development Corporation, President of the Lincoln Parent/Teacher Committee, as well as a Friend of Lithgow Library. I also work as a child passenger safety technician instructor with Safe Kids Maine.

I am honored to serve on the Augusta School Board and help make decisions that support all children, families and staff in our district.
