

PROFESSIONAL STAFF SUPPLEMENTARY PAY PLANS

Certain assignments require extra responsibilities, or extra time, over and above that required of other staff members who are on the same position in the basic salary schedules. Such assignments will be rewarded with supplementary pay.

These supplements shall be granted in accordance with the schedule agreed upon with the recognized collective bargaining units whenever they affect positions within the units. Separate contracts shall be issued for co-curricular activities; such contracts shall not be affected by tenure.

Current practice codified 1975

Adopted: date of manual adoption
