

PROFESSIONAL STAFF FRINGE BENEFITS

Benefits in addition to the basic salary are recognized as an integral part of total compensation.

It is the policy of the board that provision for appropriate fringe benefits, such as sabbatical leave, sick leave, personal leave, and bereavement leave, shall be included as part of the total compensation of professional staff, and that retirement benefits, social security, and insurance, be provided, as authorized by law.

The personnel department will administer such retirement plans, health and accident insurance, and/or annuity programs, as the board may authorize. In selecting insurance plans, committees, or representatives of organized groups, will be consulted whenever possible.
