ASSIGNMENT OF STUDENTS TO SCHOOLS AND CLASSES

The Augusta Board of Education has the legal authority to determine which school a student will attend. Due to fluctuations in enrollments, there may be situations where the Superintendent will transfer students to a less crowded school or classroom in order to ensure that students have the best possible education.

A parent who is dissatisfied with the Superintendent’s decision may, within five days of receipt of the Superintendent’s decision, appeal in writing to the Board. The Board will hear the appeal at its next regular meeting.

This policy will be included with new elementary student enrollment forms.
