

NEPN/NSBA CODE: JLDBG
TITLE: REINTEGRATION OF STUDENTS FROM JUVENILE CORRECTIONAL FACILITIES
AUGUSTA CODE/TITLE: SAME

This is a *required* policy. As the language of the current Augusta policy is identical to that of the MSMA sample, no changes have been made.

When MSMA distributed this sample policy in 2005, it included a note suggesting that although not specifically provided for by law, it would be reasonable to include the Director of Special Services as a member of the reintegration team. The Board may wish to make this adjustment in paragraph "B" of the policy.

We have deleted Augusta's administrative procedure JLDB-R because the composition of the reintegration team is adequately addressed in paragraph "B" of the policy. The Superintendent could issue more detailed instructions through an administrative directive or procedure than would not need Board approval.

Questions regarding the reintegration of juvenile offenders should be directed to Shelley Reed at the Department of Education by phone at 624-6637 or by email to shelley.reed@maine.gov.
