Dear Staff, Students, and Families,

This afternoon, CDC identified another individual at Cony Middle and High School who has tested positive for COVID-19. The individual has been in isolation, and the Department of Education directed us to do contact tracing for this individual case. The families of the students who may have been impacted were contacted directly by the school nurses and administration. The Superintendent's office and our school continues to work closely in conjunction with the Department of Education and the Center for Disease Control regarding COVID-19 protocols.

If you have further questions, please call our school nurses-Mandy Massey and Alaechia Ellis or Kim Silsby, Principal at 207-626-2460.

Thank you.
