### Title 1 Parent Survey

Title 1 annually surveys parents/guardians to gain feedback about our services. We value your feedback and use the information provided to improve our programming. **Please complete the attached survey and send in with your child, to their Title 1 teacher by Thursday, April 13.** We appreciate your efforts!

### Summer Reading Program

This summer we will not be offering our traditional summer reading camp at Cony. If you choose, we will send books home to your child throughout the summer in hopes they will continue to read and talk about books. Your child will choose 5 books at the end of the school year and then in intervals throughout the summer, 4 books will be sent home through the mail. Some of the books may require you reading aloud to your child, while other books will be at your child's reading level. Our goal is to have reading be a fun and enjoyable activity children want to engage in again and again.

In addition to providing books, there will be many opportunities throughout the city to support your child's reading. More to come!
