Gift Ideas

The holidays are drawing near, and I'm sure many of you are trying to think of gifts that are fun and helpful to your child. We have a few ideas that can help develop literacy and math skills:

- Books (perhaps a favorite from your childhood)
- Chess, checkers, and mancala games
- Board games such as Sequence (letters), Upwords, Scattergories, Scrabble Jr.
- Cool pencils, pens and notepad
- Origami book and paper
- Building sets and blocks
- Boggle game
- Leap Frog Fridge Phonics

Parent Advisory

It was a pleasure to meet so many of you during our parent advisory luncheon! We hope we were able to answer your questions. We appreciate your feedback and ideas about Title 1 programming. Please mark your calendars for our next meeting on January 25 @ 7:45AM

Technology Corner

Educational games are a great tool for building a foundation of math and language skills. These online learning games and songs for kids are fun, teach important skills for preschool and elementary school kids and they're free.

<http://www.learninggamesforkids.com/>

You'll find a variety of games that target a variety of skills, and there is even a "learn to type" game. A necessary skill to learn in this digital age! Enjoy...
