Photo Identification for All School Employees

School safety is of paramount importance to the Augusta Board of Education. To ensure, to the extent possible, the highest level of security for all staff and students in the Augusta Public Schools, all employees will wear photo identification badges during their hours of employment by the Augusta Public Schools. Identification badges will be provided by the Augusta Board of Education and will be renewed at the beginning of each school year.

Approved: February 13, 2002

Recoded: December 2, 2013
