

## SECRET SOCIETIES

The board shall not permit any form of secret organization in schools of the district; nor shall it permit any activities of any such organizations on school property.

The board shall consider any group made up partly or wholly of district students a secret fraternity or secret society, if its membership requirements are unknown and/or discriminatory.

The board shall not permit such organizations to advertise their activities or existence in any way on school premises.

The board is authorized by law to enforce this policy by expulsion or other disciplinary measures.
