

VISITORS TO THE SCHOOLS

Parents are encouraged to visit the schools. The Board of Education requests that the classroom teacher be informed as to the day and time of visits so as to avoid any conflicts with the school schedule.

In visiting classrooms, parents must realize that the teacher's first responsibility is to the children and that the teacher will be unable to converse at any length with the visitor. If a conference is desired, arrangements will be made by the teacher for an appointment with the parent, either before or after school hours.

All visitors to schools must report to the school office upon arrival.

Any unauthorized person on school property will be reported to the principal. The person will be asked to leave. If the person refuses, the police may be called.
