Open House Events

We cordially invite you and your child to a Title 1 open house breakfast or supper at your child's respective school. This is a time to meet Title 1 teachers and learn about Title 1 programming. Please mark your calendars! You will bring home many resources to help support your child.

Title 1 Communication

Communication with you is very important to us! You are our "partners in education." It has been shown over time that when there is ongoing communication between home and school, student achievement is higher. We communicate in a number of ways and hope you will find a way that works best for you: daily reading logs, email, phone calls, monthly newsletters (blue paper), Facebook and website (see links above), Title 1 events, and individual meetings if you desire. Our contact information is on page 2. We look forward to working with you to best support your child!
