my mom and dad works long ours and i already do cheerleading so I really dont want to take time out of my day and cheerleading is cheap and sports at school are expensive.

The reason I don't is because I don't right now there really aren't doing that any clubs but if I could, but next fall I am going to do football.

I don't because it happens mostly after school. My family doesn't have a car, so if I stay after school, I won't have a ride home. Unless I go with my friend, but most of the time I don't.

most of the time I do but sometimes there are no school stuff excepted for the dance and the y night thing also i do the concerts and I go to all the concerts field trips but if it costs money then sometimes I don't have all the money to do all of this stuff. I don't feel like it

because the fundraisers don't appeal, like the prizes and I feel awkward doing it along with the school parties as well.

Because I'm not interested in most school sponsored events or I don't have time to go. I have been to one before

I do not do that because I don't want to

Injuries and work.

I'm too late to join, I don't really care, or it's something that doesn't interst me
