"I value the education my child receives at Cony High School, although, after being bullied last year and having administrators do nothing about it, it's hard for my child to like being at school. The administration at Cony is terrible, and if you're a varsity athlete or one of the "cool" kids, you don't get in trouble for a thing."

"My intelligent child gets less and less intelligent as she gets older because her education is haphazard, lopsided, and not challenging for her. Very disappointed in the Augusta School District."

"question number 10: In some area I do and in other I feel it is lacking!"

"Golden lunch for first grade right after lunch unattainable at Farrington"

"LOVE Hussey school staff!"

"Cony Administration tends to be heavy handed in their application of rules & policies...to the detriment of the student. It appears to be more but rules than student needs."
