51	I really like my school, but sometimes I tell on kids and they say that their going to talk to somebody about what they did, but they sometimes, its seems like they never do, or will do. . And once, I was angry at some kds, and I did something. But THEY SAID that I was the one being the bully, when they were. I ended up having to write apology letters, empowering them.	5/31/2019 10:45 AM
